

MISSION

To express the healing ministry of Jesus Christ by facilitating access to health care for those in need.

Our Purpose is to ensure access to services for the underserved, providing free care with a holistic approach that addresses needs of the mind, body, and spirit.

GOALS

PRIORITIZE gaps in the local health system and enhance our services to meet the needs.

SUSTAIN current support base while seeking to diversify and increase sources of funding needed to provide services.

MAXIMIZE resources and collaborate with strategic partners to achieve our mission.

PLAN

ENHANCE existing services to maximize capacity & ensure quality care for patients.

EMBRACE the local demographic by addressing cultural barriers to improve access to care for everyone.

INCREASE awareness of HFHC services, the positive impact on our community, and the need for support.

ENGAGE strategic partners in collaboration to provide sustainable programs and services for the underserved.

Holland Free Health Clinic (HFHC) has made tremendous impact on improving access to dental, vision, counseling, hearing aides, foot care, diabetic support, prescriptions, and spiritual care but the growth has not come without costs. We need your help to continue these services.

Your Financial Support of Holland Free Health Clinic is crucial.

We are a privately funded nonprofit relying on nearly 75% of our income from individuals, local businesses, & churches.
