

# Donate a Smile

A CAMPAIGN TO SECURE HEALTH PROGRAMS  
FOR THE MEDICALLY UNDERSERVED

### Event Description:

This annual campaign was established to secure health programs for the local underserved. HFHC plays a vital role in the community by filling healthcare gaps. This campaign provides HFHC with the funding needed to serve patients with compassion and provide hope for the future.

### Holland Free Health Clinic:

Holland Free Health Clinic is a non-profit organization invested in the health of the Holland Zeeland community serving as a healing ministry of Jesus Christ. HFHC provides health services to those with proven medical and financial need who lack adequate insurance coverage.

Since 2002, we have assisted thousands in need of prescription medication, dental, vision, audiology, counseling, diabetic support, chiropractic and spiritual care. Since the clinic’s inception, it has provided over \$16,000,000 in life changing services. The impact to each patient is immeasurable. Through Christ’s mission, we are able to serve our patients with compassion and provide hope for the future.
