### 2016 Community Report

We are excited to present Holland Free Health Clinic's 2016 Community Report. This report highlights a year of accomplishments made possible through the work of our volunteers, collaboration with partner organizations, and the support from many in our community.

This year we focused on empowering patients to lead healthy lifestyles, serving with Christian integrity, and increasing awareness of the gaps in the local health care system.

If you have any feedback on the work of Holland Free Health Clinic or want to learn more, please contact us at [mail@hfhclinic.org](mailto:mail@hfhclinic.org). Together we can accomplish our mission

be comfortable interacting with patients in a spiritual setting.

**Needs Assessment:** Administrative support volunteers needed to help process paperwork and enter new patient data. Computer/data entry skills and an eye for detail needed

**Mental Health:** Licensed therapists to provide short term client counseling. Particular need for male counselors to provide care and comfort for our male clientele

**Dental:** Volunteer dental professionals to come into the clinic or provide care at practice. HFHC is a CE sponsor and can offer credits to individuals who volunteer.

## June is National Safety Month

It's that time of the year again when the weather gets nice and we start spending more time in the sun. Here at HFHC we hope you stay safe and have a fun summer. Easy ways to make sure you and your family stay safe out in the sun are by drinking lots of water, wearing sunscreen, and sitting in the shade when possible. When out in the lake, make sure to wear a life jacket when the lake is rough and not jump into waters that you don't know how deep they are.
